Good Day! My name is _____ and I am an _____.

Welcome to the Big Book Awakening 12 Step Weekend.

This meeting intends to follow courteous principles of privacy & anonymity but if you feel your privacy is at risk please disconnect now. This Big Book Awakening “weekend in the steps” is being recorded to help continue to carry the message. We will only use the audio portion of our sessions.

We welcome all 12-step programs here. This conference is based on the Daily meeting that started last year as the result of physical meetings closing.

This meeting immediately grew to 7 days a week sharing our experience using the Big Book Awakening process going through the Big Book. If you are new, we are very glad you’re here and welcome all questions. The purpose of this weekend is to celebrate the fellowship growing up around us, share how we have recovered and most importantly introduce people to the Big Book Awakening process. For more information and great audios check out www.BBAWorks.com and we will post the links in the chat bar during this meeting.

I will lead us in the set aside prayer followed by one minute of silent meditation to bring our spirits together for this event.

“God please enable me to set aside everything I think I know for an open mind in a new experience help me see the truth about this conference, the 12 steps, my disease and You.”

AFTER APROX 1 MINUTE OF SILENCE:

Our speakers Danielle L and Ian L, will share on Steps 10 & 11 followed by lots of time for questions on this step.
