

# BIG BOOK AWAKENING DAILY MEETING PRESENTS:

## *A Practical History of the Twelve Steps*

### ***AA HISTORY WORKSHOP***

***BY FATHER BILL W.***

#### WHAT

This workshop brings to life the spiritual principles and practices of Alcoholics Anonymous developed from their Oxford Group roots. Although AA Pioneer members had no 12 Steps, they did have a simple set of practices that will be explored. The Steps will be presented from their historical roots with the aim of keeping them simple and working them effectively.

Bill Wilson

Dr. Bob Smith

Dr. Frank Buchman

Anne Smith

The Rev. Sam Shoemaker

#### Why

Studying the Pioneer approach can help today's alcoholics and addicts experience a simpler and perhaps more effective way of understanding and working the Steps. The workshop is open to spiritual seekers of all stripes.

#### Who

Father Bill W. from Austin, TX has been active in 12 Step recovery since 1972. A gifted teacher and leader in the treatment field, he has led spirituality workshops throughout the country. His research has been published recently in Alcoholism Treatment Quarterly and Substance Abuse Journal. He received the Wheelock Whitney Award

*"for advancing the understanding of faith and science in addiction recovery."*
