**BBA-AAF (2025)** - Big Book Awakening All Addictions Fellowship 2025 is an opportunity to study and work all 12 Steps as outlined in the Big Book of *Alcoholics Anonymous*. We gather together in our Workshop and addiction-specific homework groups to work the steps the same way that "*The first 100*" Alcoholics did back when the book was first written. We work all 12 steps in order to have a Spiritual Awakening which can solve common problem.

## Traditions

Because the *Big Book Awakening Workbook* (by Dan Sherman) is an 'outside resource', as are our addiction-specific question guides, kindly honour the Twelve Traditions of our respective Fellowships by only sharing about the workshop and BBA *outside of the rooms*.

The message of recovery that is contained specifically *within* the Big Book itself, can of course be brought into our respective Fellowships, provided that the book *Alcoholics Anonymous* is considered 'Conference Approved Literature' by that Fellowship.

## Big Book Awakening

Big Book Awakening is *not* a Fellowship in and of itself, nor is it a replacement for any Twelve Step Program. It is encouraged for any member participating in the workshop to continue to attend any respective fellowship meetings that they may belong to, throughout the Big Book Awakening Workshop.

Many people working the Big Book Awakening process have more than one addiction/compulsion, and in this case, it is strongly suggested to choose and focus on one of the addictions/compulsions you have for the duration of this Workshop.

## Compulsive Clutterers and BBA

This year, there are members who self-identify as Compulsive Clutterers participating in the BBA-AAF (2025) Workshop. These members will be working the steps together in clutter-specific homework groups.

Whether a person identifies as a 'moderate or social acquirer', a 'problem or hard clutterer' or as a 'Compulsive Acquirer then Clutterer and Hoarder' (\*C.A.T.C.H.) *beyond human aid* ...

... if you have a desire to stop compulsive cluttering you are welcome to participate, by signing up at this link: [Sign-Up](#)

**Note:** \* "Compulsive Cluttering" is used as an 'umbrella term' for the following 3 compulsions, which are progressive in nature – Compulsive Acquiring, then Cluttering and Hoarding (or, 'C.A.T.C.H.' for short).
